

**American Belgian Malinois Club  
Honor & Rescue Parade Entry Form**

The ABMC Honor/Rescue Parade is generally held before the Banquet. As each dog's name is called, the announcer will read the owner's biography of their dog as the dog is walked around the room. The owner is presented a rosette with their dogs' name on it and a copy of the program. The program is also given to the spectators so they can follow along. It is a great opportunity to get your dog out there and show them off!
