

**Most Versatile Belgian Malinois Award
2024 ABMC National Specialty**

<https://malinoisclub.com/abmc2024/most-versatile-malinois/>

The Most Versatile Belgian Malinois Award (MVBMA) and Reserve Most Versatile Belgian Malinois Award (RMVBMA) are given to the Belgian Malinois at the National Specialty that excel and qualify in at least three different venues. There is no fee for entry, and membership in the ABMC is not required. However, the dog being entered must be a Belgian Malinois. The Most Versatile Malinois and Reserve Most Versatile Malinois will receive rosettes matching those of the National Specialty's Best of Breed and Best of Opposite Sex. While generally these awards are presented at the Banquet since this year's Banquet occurs before the Herding venue, the awards will be mailed.

Dogs must earn points in at least three of the five venues to be eligible for the Most Versatile Malinois Award. The five venues are:

- I. Conformation** (Thursday May 23rd) / **Sweepstakes** (Tuesday May 21st)
- II. Herding** (MVM points are from **either** Friday May 24th C Course **OR** Sunday May 26th A Course Trial I)
- III. Obedience** (Tuesday May 21st) / **Rally** (Monday May 20th)
- IV. Tracking** (Friday May 17th) / **Scent Work** (Wednesday May 22nd Trial 1only)
- V. Agility/Preferred Agility** (Sunday May 19th)

Exhibitors may enter as many venues and classes with a venue as they wish but only the single run that results in the highest number of points within a venue is counted for that venue's points. For example, in the III. Obedience/Rally venue, qualifying in Open in Obedience earns 4 points and qualifying in Master in Rally earns 5 points. The highest number of points earned in a single run from this venue would be 5 points. Points are not added together within any one venue; they are only added between the different venues. Points from each venue are added together for the total of MVM points. Consult the [MVM Point Schedule](#) for more details, including tie-breaking criteria.

To enter the Most Versatile Malinois competition please complete both pages of this entry form and submit to the MVM Chair. If the MVM entry form is emailed/mailed to the chair, her contact information is below and the deadline for receipt is Wednesday May 10, 2024. If the MVM submitted to the chair in person, the deadline is at least one hour before the first MVM event entered to order to ensure that results are recorded correctly.
